Diver buddy App Description:

Driver Buddy is a mobile app that connects college and university students who travel along similar routes. It allows students to **carpool safely**, **save money**, and **build campus connections**. Users can subscribe monthly or annually to access the service and features.

Problem:

- High Transportation Costs
- Limited Transportation Options
- Wasted Car Capacity
- Lack of Student Networking Opportunities

Solution

- Student Carpool Matching
- Affordable Subscription System
- Verified Student Profiles
- Smart Scheduling
- In-App Chat & Rating System
- Eco-Friendly Incentives

Monetize:

- Subscription Plans
- Freemium Model
- Partnerships with Universities
